DISCLAIMER & PRODUCT USE RESTRICTIONS IN AREAS COVERED BY SOUTHERN CALIFORNIA AIR QUALITY MANAGEMENT DISTRICT (SCAQMD)

Because of new VOC regulations made effective from July 1, 2006, not all products manufactured by Polycoat Products are available for sale and use in the cities and areas cover by SCAQMD jurisdictions.

The following replacement products have been specially formulated to meet the new VOC limits for SCAQMD areas:

Polyprime 172SC	in place of	Polyprime 172
Polyprime 2180SC	in place of	Polyprime 2180
Polyglaze 100SC	in place of	Polyglaze 100 & 100C
Polyglaze 400SC	in place of	Polyglaze 400 & 400C
Polyglaze 400SC-FR	in place of	Polyglaze 400-FR & 400C-FR
Polyglaze AL-50SC	in place of	Polyglaze AL-50
Polycoat-Staingard 6072SC	in place of	Polycoat-Staingard 6072

The following products which do not meet the new VOC regulations for SCAQMD areas may be substituted by the product indicated below. These substituted products meet the new VOC limits for SCAQMD areas.

PC-220	to be substituted with	PC-220SF
PC-440	to be substituted with	PC-440SF
PC-550	to be substituted with	PC-260
Polyprime U25	to be substituted with	Polyprime U22
Polyglaze AR	to be substituted with	Polyglaze AR-SF
Poly-I-Gard 246	to be substituted with	Poly-I-Gard 246SF
Polycoat-Staingard 1110	No similar product available, use Polyglaze 100SC, Polyglaze AL-50SC or Polycoat-Staingard 6072SC	
Polycoat-Aquaseal 5000H	to be substituted with	Polycoat-Aquaseal H (2 Component)
Polycoat-Aquaseal 5000V	to be substituted with	Polycoat-Aquaseal V (2 Component)
